## Policy Document on E-Governance

### Object:

1. To implement E-governance in various functioning of the institution.
2. To make the college visible globally.
3. Providing easy access to information.
4. Efficiency in our functioning to achieve.
5. Transparency and accountability to promote.
6. Paperless administration of the institution to achieve.
7. Facilitating online internal and external communication between various stakeholders of the institution.

### Policy:

1. To provide a simpler and efficient system of governance within the institution, it is decided to adopt and implement e-governance in maximum activities in functioning of the college.
2. The college has already started with e-governance in some aspects of functioning like administration, accounts, etc. But, now we have resolved to implement e-governance many more areas and with this aim, in view, we have drafted this policy document the following area follows e-governance at the college.

### 1. Website:

The website of the college needs to be updated time to time the website should act as a mirror of the college activities and information about all activities, important notices, etc should be made easily available to the visitors for this purpose, a separate service provider/web designer can be appointed by the college. Along with it, training should be given to the existing staff and persons should be identified who will undertake the responsibility of website administration and updating at the college level.

### 2. Administration:

To provide a hassle-free, convenient and cheap process, maximum of the administration of the college should be handled with ICT based technology. Facilities should be provided, e-copy of salary certificates, internal communication between the employees.

Surajpur (C.G.)

**3. Student Admission:** The college has decided to process all admission in online mode. This will cover admissions to all courses whether graduate, post graduate. For this purpose, college uses university portal for admission Purpose.

**4. Library:**

Govt. Rewati Raman Mishra P.G. College, Surajpur (CG) is using the KOHA, the free Integrated Library system (ILS) for managing its library online.

**5. E-payment, Payroll/ Vender payment/ Pension:**

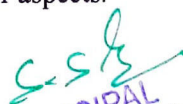

For salary to Employees collect uses e-kosh services of state govt., e-kosh is transparent, and robust system of payment. \

**6. Examination:**

As per the directions of the University, it is mandatory to handle examination in an online manner. Filling examination forms, revaluation forms, obtaining, Admit card, receiving examination papers, uploading of marks, etc. Everything has to be done in an online mode. Utmost secrecy and confidentiality need to be maintained while handling examinations and work needs to be done with utmost care and caution.

**7. Alumni:**

To strengthen alumni interaction, a separate alumni section has been started on the college website providing facilities like registration, information of college activities, prominent alumni, milestones achieved by alumni, feedback and many other aspects.
